Election Night Job Will Add Dollars To VEA Scholarships

John E. McLean, DE-ICT instructor of Appomattox High and former principal of Pamplin Elementary School, has been selected by the Appomattox county chapter of the Virginia Education Association, to report national election news on Nov. 3. Results of his work will add funds to the VEA Scholarship Fund.

Unusual coverage of the Nov. 3 election is being planned with local and national media cooperating and the final results of the voting should be more prompt than ever before.

The plan is as follows: The United States is being divided among the national broadcasting companies, NBC, ABC, CBS and the news services, United Press and Associated Press, for the purpose of effecting a more efficient reporting of the election.

These news media are contracting with various state groups, mainly state education associations, to report the election at the local level. Virginia has been assigned to the Associated Press, and it has offered the Virginia Education Association $5,000 for help in reporting the election.

This plan has been approved by the VEA president's scholarship fund, which will be used to provide scholarships for high school students who wish to become teachers. Such funds already exist, but consists only of the limited funds received from fees collected by the VEA Placement Service.

The plan is to be worked in this manner: A county or city correspondent is selected by the president and he in turn will select a reporter for each precinct. As soon as the precinct returns are in, the precinct reporter will call and give the returns to the city or county correspondence, who will send cumulative totals to the Associated Press in Richmond by telephone.

This plan offers to the VEA not only an opportunity to serve constructively in an extremely interesting civic enterprise, but the funds received will help many deserving students become teachers.

Are MEN of CHARACTER, HONESTY, and INTEGRITY. For AMERICA FIRST and ALWAYS!

GOLDWATER—BYRD—ABBITT
Believe in CONSTITUTIONAL GOVERMENT. While Lyndon B. Johnson's beliefs will lead to DICTATORSHIP. *(LBJ proved this at the Democratic Convention in Atlantic City this year.)*

GOLDWATER
Puts PRINCIPLE above POLITICS! Johnson sweeps DIRT under RUGS! ! *(Bobby Baker, Billie Sol Estes and Walter Jenkins.)*

GOLDWATER—BYRD—ABBITT
Believe in and support STATE'S RIGHTS as the backbone of our Constitutional System. *(Johnson and Humphrey support federal domination.)*

GOLDWATER
Has always and will always favor a strong SOCIAL SECURITY SYSTEM. He advocates strengthening Social Security. *(Johnson wants to saddle Social Security with unnecessary new burdens and destroy everyone's Social Security under a paternal dictatorship) (Is this what you want?)*

GOLDWATER
Believes in INDIVIDUAL RIGHTS! *(Do You?)*

GOLDWATER
Believes in honesty in Government! He will lift the dark cloud over Washington in the Bobby Baker, Billie Sol Estes and Walter Jenkins scandals.

GOLDWATER
Will crush RIOTS, Lawlessness and Crime! Adlai Stevenson recently said, "A jail sentence is no longer a dishonor but a proud achievement." *(Is this what you want?)*

GOLDWATER
Has NEVER said "TO HELL WITH THE SOUTH!" (Humphrey said in 1948, 1952, 1956, and 1960: "Let the SOUTHERN delegates go home — the Democratic Party doesn't need the South." *(Are you from Dixie?)*

GOLDWATER
Didn't and wouldn't have millions of your dollars voted for a CAMPAIGN FUND. *(Who demanded a vote of $967.2 million for poverty. Simply a Campaign fund.)*

CIVIL SERVICE EMPLOYEES
ROBERT KENNEDY IS QUOTED AS SAYING: "It would constitute a serious impropriety, a distinct breach of duty for Civil Service people to oppose the administration's policies in any form." *(Are You Able To Vote Your Convictions?)*

JOHNSON
USES DICTATOR and COMMUNIST TACTICS: He spent over $500,000.00 of taxpayers money to have his picture put in 36,000 U. S. Postoffices. Hitler, Mussolini, Stalin, Khrushchev did the same! *(It is up to you!)*

JOHNSON'S BIG GOVERNMENT
Many business men supporting Johnson may have missile or defense contracts. J. Edgar Hoover sent flowers to Walter Jenkins. *(Are They Being Pressured?)*

RUSSIA TAKES OVER
IN CUBA — The first time the Monroe Doctrine has been violated. *(Johnson, Kennedy, Humphrey approved Khrushchev's action wholeheartedly!!)*

JOHNSON—KENNEDY
Administration caused the humilating defeat at the BAY OF PIGS in Cuba — just to favor COMMUNISM. *(Is that what you want?)*

FBI CHIEF J. EDGAR HOOVER
Says, "Communist influence **does exist** in the NEGRO MOVEMENT." *(It is up to you — if you want Communism.)*

U. S. SUPREME COURT
Favored ONE ATHEIST over millions of Christians! Johnson and Humphrey favored this action — No Prayer In Schools. *(It is up to You.)*

GUS HALL
Secretary of the American Communist Party, Khurshchev and Walter Reuther have announced their **support** for Johnson-Humphrey. *(Do you want Communism?)*

JOHNSON
Has accumulated a family fortune of millions of dollars. *(Largely in Government regulated TV monopoly while serving as a Congressman, Senator, Vice President and Interim President.)*

WAR! WAR!
Goldwater had proposed that the NATO commander be given discretionary authority to use small tactical nuclear weapons when attacked by the enemy with such weapons. Because of this the administration sought to build a "trigger happy" image of Goldwater until several magazines revealed that under Kennedy before Johnson took over, the NATO commander had had this authority. In reality, Goldwater is more likely to keep America from War than Johnson because Goldwater believes in a United States with "strength at a level so superior that the enemy can nevr risk any conflict." *(We Hate War! Do You?)*

DO YOU DRAW SOCIAL SECURITY?
GOLDWATER WISHES TO STRENGTHEN SOCIAL SECURITY NOT BANKRUPT IT!
